A reservation for a specific color and sex from a chosen breeding is available with a deposit of \$300 (this is on a first come basis) any deposits received from "buyer" will be applied towards the purchase price of a kitten. The balance due is to be paid in cash upon receipt of kitten. No personal checks will be accepted for final payment.

This contract constitutes the entire agreement. No verbal representation or other understood misunderstood agreement apply. The jurisdiction of this contract and all legal issues that may arise is at the Seller's city, County, State. Should any factor in this contract is found to be invalid or not enforceable, all remaining factors still apply. Social Media: Any disagreements resulting from the purchase or business transactions of this cat/kitten will be not be published by the buyer, seller or their associates on social medial or any internet sites. Damages or violation of this clause will be \$5000 and the health guarantee will be null and void. Buyer Initials _____ Seller Initials *JE*

Responsibility of the buyer: You have purchased this cat or kitten. It is now yours. As the buyer you are responsible for all shipping fees unless other arrangements are made and noted in this contract. Once kitten leaves RM Bengals the buyer is responsible for all vet bills. Pre payment or partial payments ARE NOT REFUNDABLE. They can, however, be applied to another kitten if said kitten becomes un-available. No cash refunds. No exceptions. Deposits are NON Refundable. Buyer will not dispute any fees and or funds paid by using PayPal, Venmo, Cash app or other credit card transactions at any time. A signed contract is accepting the terms of this contract. Shipping documents are proof of the kitten/ cat being received by the buyer. No Refunds or buy backs. If this kitten dies or in some other fashion becomes unavailable while in the breeders care, he/she will be replaced with a kitten of similar appearance and value when one is available that the buyer and seller can agree to. It is the responsibility of the BUYER and at the BUYERS expense to provide immediate veterinary care should the kitten show any sign of distress or illness, and failure to do so will render this guarantee null and void. Buyer is responsible for all veterinary bills. The cat or kitten should not be permitted to roam outside unsupervised. Buyer must be sure to keep the kitten from contact with any other cat or kitten that does not have current immunizations or which has not been found negative for feline leukemia or feline infectious peritonitis (Stress is a huge factor in FIP in a kitten, with that in mind follow the "bringing your kitten home guide for the first 6 months before making changes). Should the buyer choose not to follow these guidelines, the kitten cannot be returned to seller and health guarantees will not apply. The cat or kitten should be kept from contact with other cats or kittens until the vet is certain that neither this kitten or the existing cats are contagious (Usually 2 weeks).

Under no circumstances will this cat/kitten be sold, leased or given away to any pet shop, research laboratory or any similar facility. Buyer is accepting the responsibility of caring for this kitten or cat and agrees to take good care of and to provide food, shelter, ample space, clean environment, medical attention, routine yearly visits to the vet, exercise and affection that all pets should receive. For the protection of the cat it should be kept indoors unless on a harness and not allowed to run freely outdoors. Should the buyer at anytime be unable to care for the cat they agree to contact the seller to offer the cat back, and return cat at the buyers expense to the seller. There is no guarantee of a refund amount if any. Buyer agrees to keep seller up to date with a current point of contact with an address, phone # and or email. (We would love to have updated photos of cats as well)

DeCLAWED The Kitten or cat WILL NEVER BE DECLAWED. By signing this contract you have agreed to all terms and conditions in this contract. _____ **Buyers Initials**

KITTENS Vaccinations...The kitten will be spayed/ neutered before leaving to buyers home at the expense of the seller. Kitten will come with up to date shots. This is at 8 weeks and 12 weeks. Kitten will need a booster at 16 weeks and rabies vaccine. If buyer chooses to vaccinate the kitten with FeLV or FIV vaccines, they assume the risk and cancel the contract, these vaccines are still new and their safety has not been confirmed.
